STATEMENT OF UNDERSTANDING

I have not omitted any previous high school or college of attendance. In addition, any essays that I have enclosed are entirely my own work. I understand that supplying inaccurate, incomplete, or misleading information may invalidate my application and result in the withdrawal of any subsequent offer of admission or enrollment.

I understand that an offer of admission is tentative pending the receipt of my final transcript(s) and may be withdrawn if there is a significant decline in my grades or a significant change in my academic program, if I become subject to disciplinary action by the school or college I am currently attending, or if I am convicted of a criminal offense.

I also understand that all credentials submitted in support of this application become the property of the University of Delaware and are not returnable.

Finally, I will become familiar with regulations regarding academic honesty and student behavior at the University of Delaware and will fully comply with them during my enrollment at the University.

YOUR SOCIAL SECURITY NUMBER & UD ID NUMBER

We understand how important your personal information, including social security number, is to you. We request your social security number on our application for a variety of identity purposes (including need-based financial aid) and assure you that we will maintain it with the utmost confidentiality and security. We will assign all students a UD ID number for University ID purposes.

All students with whom we have had previous contact should have received their assigned UD ID number via e-mail. If you have not received your UD ID number, you are not expected to fill out question 4 on the application. Once you have submitted your application, you will receive your UD ID number within an acknowledgement letter. This number will be referenced in future communications with the University and applicant, and will become the student's permanent ID number should they matriculate to the University of Delaware. Students should become familiar with their UD ID number as it will be required on subsequent forms and online interactions.

SCHOLARSHIPS & FINANCIAL AID

The University of Delaware awards more than \$100 million annually in aid. Our commitment to making a University of Delaware education affordable is seen in our reasonable tuition for in-state and out-of-state students and in our variety of scholarships, financial aid programs, and financing plans. The FAFSA is the only form required. Find more information at www.udel.edu/finance

ART APPLICANTS

Candidates for admission into Art (including BA in Fine Arts, BFA in Fine Arts, and the BFA in Visual Communications) are required to submit an electronic application portfolio demonstrating creative experience and ability along with a related essay. Note: this essay is in addition to the essay you submitted with your Common Application, though it may expand upon that essay. Portfolios should be submitted by November 1 for Spring Transfer consideration, January 15 for Freshman consideration, and May 1 for Fall Transfer consideration.

Portfolio requirements can be found online at <http://portfolio.art.udel.edu/> Submission of additional work and an interview may be required for students who are considered for department- and University-related scholarships.

MUSIC APPLICANTS

An audition is required for prospective music majors. Saturday audition dates for 2008-09 are December 6, January 10 & 24, and February 7, as well as by appointment. To schedule an audition or to discuss alternatives if unable to come to campus, please call (302) 831-8426.

-----	---

*Apply to Art Interests if you are interested in earning a BFA or BA degree in Fine Arts or a BFA in Visual Communications (advertising design, graphic design, applied photography, or illustration). All applicants are required to submit a portfolio of work for admission into the interest program and again at the end of the first year for admission into the major.

**All students interested in earning a BS in Biological Sciences should apply as Biological Sciences (BA) majors. After completing the required work, students may apply to BS majors as rising juniors.

*Students are first admitted into an interest program. After completing the required prerequisite work, students apply to the major.

**Freshmen only. Students may be admitted to the College before declaring a major. Engineering students will be guided by their advisor during summer orientation toward a major, and should choose a major either in the summer or early in their freshman year. Business students will have until the fall of their sophomore year to declare their major.
